GUIDELINES FOR USE OF TOWN PROPERTIES FOR PROMOTION OF COMMUNITY EVENTS

It is the position of the Indian Lake Town Board to assist community organizations in the promotion of community-wide events open to the general public. In this support, the Town offers these organizations access to town property locations for the display of banners and signs promoting upcoming events for Indian Lake. Due to the increase number of events and requests for placement of promotional advertising, the Town of Indian Lake has developed this document: **Guidelines for Use of Town Properties for Promotion of Community Events.**

A representative of the Community Organization sponsoring the event must complete a Signage Request for Promotional Signage Placement Form at least two (2) weeks prior to the posting of any sign on Town property. This allows time for the Town Events & Activities Coordinator and Supervisor of Parks & Recreation to review applications and resolve possible scheduling conflicts.

1. The Community Organization representative must specifically identify the Town site(s) desired for advertising and the dates the advertising will be displayed. (Examples may include but not limited to: Byron Park banner poles, Town Welcome Signs, Town Park)
2. Signs may be put up no sooner than one (1) month before the event and removed no later than one (1) week after the event.
3. There may be no obstruction of the Town of Indian Lake Welcome signs.
4. The Town of Indian Lake assumes no liability of theft or damage to signs.
5. Should more than one request be made for signage and there is a site scheduling conflict (two organizations requesting the same space and for overlapping days), the Events & Activities Coordinator will meet with the affected organizational representatives to negotiate a mutually agreed upon solution. If settlement is not successful, resolution will be through the Supervisor and Town Board.
6. Signage placement plans will be reviewed by the Supervisor of Parks and Recreation and may require installation by Town personnel. Only Town personnel are permitted to affix signage to Town banner poles and Town Welcome signs.

DRAFT BOARD LETTER TO COMMUNITY RE ADIRONDACK CHALLENGE

This summer, the Town of Indian Lake has an incredible opportunity to affect the economic future of our community. The *I Love NY* sponsored Adirondack Challenge is a ten day promotion of events taking place in the Adirondacks, July 12- 21. The events will culminate with invitational whitewater event on the Indian River and an international flatwater paddling competition on Indian Lake to held in on July 21. Our community will be hosting a variety of events beginning on Friday, July 20 and through the Sunday, July 21 awards ceremony.

With numerous prominent state dignitaries including Governor Cuomo and *I Love NY* promotion, the Adirondack Challenge will receive wide publicity throughout the country and eastern Canada. **The event is expected to attract more than 3,000 visitors to our area.** The publicity Indian Lake will receive is far beyond anything our community has ever experienced. **What our community does in preparation the next several weeks has the potential to dramatically affect future revitalization of our hamlet and entire town!**

What is the Town Board requesting from YOU?

To begin with, we need your enthusiasm and support; the success of this event is an investment in the future of our community. We need you or your community organization to **volunteer your time, energy and skills.** We need people to organize and work in carrying out a variety of activities: from hosting musical events; providing boats and knowledge of the lake for safety, officiating and viewing of the Flat-water race on Indian Lake; guiding visitors from information booths to various activities; assisting with children's activities at the Community Bash on Saturday; local craftspeople and artisans displaying and marketing their creations; to assisting as parking lot attendants.

The town will have a variety of festivities in the hamlets of Indian Lake, Blue Mountain Lake, Sabael and Byron Park. Encourage your **out of town family and friends to come** and join in the festivities. **Greet visitors with a smile,** welcome them to our community and assist them whenever possible. Let's have some fun! Let's look at this event as a community party. Like any party, it is customary to make physical preparations. You and your neighbors are encouraged to do what you can to dress up our community: cutting and trimming the grass; plant or put out some flowers; picking up the yard and porches visible from the street; fixing what needs "fixin"; and maybe even doing a little touch-up work with some paint. If you need some help, ask the Chamber. This is a lifetime opportunity to showcase our community. The success of this event will ultimately be measured by how our visitors feel they were greeted and treated. Treat our visitors as welcomed guests and they will share their positive experience with others and return to vacation in our Town. To volunteer in any capacity you wish, please call Vonnie Liddle, our Events Coordinator, at (518) 648-5828 or Kristina Eldridge, at the Chamber of Commerce at (518) 648-5112.
