

Town of Indian Lake Water and Wastewater Report for December 2013

Testing at all plants was completed daily.

Samples required by DOH and DEC were submitted to the lab.

A check valve was fixed on an air compressor in Blue Mt that keeps the water tower from freezing.

We went to Tupper Lake to get Diatomaceous Earth for the Blue Mt Lake water plant.

There was a leak in Miles Merwins trailer court, and Missy Goldblatts house, so we shut the water off so it could be fixed.

Maintenance was done on the Ross valves at the Indian Lake water plant.

The New Holland tractor was sold to Joe Ferrero for \$5300 through Auctions International.

Divers came to inspect the dams at Adirondack Lake and Lake Abanakee.

All hydrants in Indian Lake and Blue Mt were cleared of snow.

The dam had to be opened manually because of heavy rain.

A leak was fixed at Pines store.

Thank You

TOWN OF INDIAN LAKE HIGHWAY DEPARTMENT

JANUARY 2014

Freezing rain has been the biggest issue over the last month. Lots of stone dust, sand and salt was used to make the roads passable.

It was also an issue on the sidewalks. The sidewalks have been icy over the last month with the freezing rain and the warm cold fluctuations. There have been many days that the temperature has been too cold for the salt to work, which has made for icy conditions on both roads and sidewalks. When temperatures have allowed we have added salt to both to try to get them bared up.

All of the black top roads had the ice cut off them one with the grader.

Some limbs were cut in places where they were hitting the trucks as we plowed and sanded.

A lot of repair work has been done to the equipment as this is the time of year we have more time to do it and problems seem to show up too.

We have one truck broke now and are not sure we will be able to get the parts to fix it as they are not made anymore. It is getting very difficult to get parts for some of our older equipment as no one stocks the older parts anymore.

We have to send our newest truck to the dealer next week to get the dash lights repaired. The work through a computer which we have no way of testing, this will be a problem in the future as everything on the newer vehicles is computerized and needs special equipment to test. The dealer told us if we don't get the lights repaired soon it will lead to other electrical problems in the near future.

Thank you

To the Town Board

I audited the books for Town Justice Judy Durkin on October 17, 2013.
I found the following problems:

- No Cash Disbursement Journal
- Some of the receipts didn't match the Cash Receipt Book
- Some of the deposits didn't match the Cash Receipt Book prepared by the Justice
- Carrying outstanding checks from 2005

The Bank Statements did reflect more than was noted in the Cash Receipts Ledger. I believe if a person overpaid their receipt didn't reflect the overpayment, however, they were refunded the overpayment amount.

I have audited the books provided by Tom Atwell.

Findings:

- He does not perform reconciliation of Bank Statements
- He only provided me with two bank statements
- Some voided Receipts do not contain the white copy (its missing).
- Difficult to make an adequate finding due to the documents he provided me

Warren County Board of Supervisors

RESOLUTION NO. 508 OF 2011

Resolution introduced by Supervisors Bentley, Thomas, Monroe, Girard, Sokol, McCoy and Wood

INTRODUCING PROPOSED LOCAL LAW NO. 9 OF 2011 AND AUTHORIZING PUBLIC HEARING THEREON

RESOLVED, that proposed Local Law No. 9 of 2011 entitled "A Local Law in Relation to Preventing the Spread of Aquatic Invasive Species in Warren County", attached hereto and made a part hereof, be, and the same is, introduced before the Warren County Board of Supervisors, and in order to give interested members of the public the opportunity to be heard thereon, the Board of Supervisors shall hold a public hearing at the Supervisors' Rooms in the Warren County Municipal Center on the 16th day of September, 2011, at 10:30 a.m. on the matter of the adoption of said proposed Local Law No. 9 of 2011, and be it further

RESOLVED, that the Warren County Board of Supervisors hereby determines that the proposed Local Law is an action as that term is used in the New York State Environmental Quality Review Act ("Act") and that 1) such action is hereby determined to be an unlisted action under the regulations adopted under the Act (SEQRA); 2) the proposed action would not appear to involve any other Federal, State or Local Agencies; and 3) the Superintendent of the Department of Public Works or his designee shall complete Part I of a Short Environmental Assessment Form on behalf of the Board and present the same with recommendations for Part II responses at the September meeting of this Board, and be it further

RESOLVED, that the Clerk of the Board of Supervisors be, and hereby is, authorized and directed to give notice of such public hearing in the manner provided by law.

COUNTY OF WARREN

PROPOSED LOCAL LAW NO. 9 OF 2011

A LOCAL LAW IN RELATION TO PREVENTING THE SPREAD
OF AQUATIC INVASIVE SPECIES IN WARREN COUNTY

BE IT ENACTED by the Warren County Board of Supervisors of the County of Warren as follows:

SECTION 1. Title. This Local Law shall be known and may be cited as “A Local Law in Relation to Preventing the Spread of Aquatic Invasive Species in Warren County”.

SECTION 2. Legislative Intent. The Warren County Board of Supervisors hereby finds and determines that aquatic invasive species can displace native species and alter natural ecosystems, and cause negative environmental and economic impacts such as that presently occurring with regard to the Asian clam infestation in Lake George. Ultimately, residents and visitors to Warren County alike are negatively impacted by the decline of water bodies subjected to aquatic invasive species. It is the intent of this law to protect the ecology of water bodies wholly or partially located and/or accessed in Warren County by preventing the introduction of any aquatic invasive species and therefore helping to protect the environment and economy of Warren County .

SECTION 3. Definitions. As used in this law, the following terms shall have the following meanings:

(a) "Aquatic Invasive species" means with respect to waters located and/or accessed in Warren County, any aquatic species, including its eggs, spores or other biological material capable of propagating or reproducing that species, that are not natural to said waters located or accessed in Warren County, including all of its cultivars and varieties, whose introduction causes or is likely to cause economic or environmental harm or harm to human health. Invasive species, as that term is used herein, includes but is not limited to Asian clam (*Corbicula fluminea*), Eurasian water milfoil and zebra mussels.

(b) "Person" means any individual, governmental entity, firm, partnership, corporation,

company, society, association, or any organized group of persons whether incorporated or not, and every officer, agent, or employee thereof.

(c) "Launch" means to place a watercraft into a waterbody for any purpose and any activity that takes place within fifty feet of the high water mark of the waterbody for the purpose of placing a watercraft into a waterbody, including moving by trailer or other device or carrying by hand a watercraft toward a waterbody, or entering a queue prior to launching.

(d) "Waterbody" means the same as "waters".

(e) "Waters" means lakes, bays, sounds, ponds, impounding reservoirs, springs, wells, rivers, streams, creeks, estuaries, marshes, inlets, canals, Lake George within the territorial limits of the County of Warren, and all other bodies of surface or underground water, natural or artificial, inlands, fresh, public or private, which are wholly or partially within or bordering the County or within its jurisdiction.

(f) "Watercraft" means every motorized or non-motorized boat or vehicle capable of being used or operated as a means of transportation in or on water.

WARREN COUNTY
PROPOSED
LOCAL LAW NO. 9 OF 2011
SECTION 4. Prohibitions (Unlawful Activities). It shall be unlawful for any person to:

(a) launch or attempt to launch in Warren County a watercraft into a waterbody with any aquatic invasive species or other plant or animal, or parts thereof, visible to the human eye in, on, or attached to any part of the watercraft, including in live wells and bilges; the motor, rudder, anchor or other appurtenants; any equipment or gear; or the trailer or any other device used to transport or launch a watercraft that may come into contact with the water;

(b) to enter a public highway in Warren County after leaving a launch site without first removing by hand any aquatic invasive species or other plant or animal, or parts thereof, visible to the human eye in, on, or attached to any part of the watercraft, including in live wells and bilges; the motor, rudder, anchor or other appurtenants; any equipment or gear; or the trailer or any other device used to transport or launch a watercraft that may come into contact with the water;

(c) removed items must be discarded away from the shoreline, in such a manner as to prevent the removed items from re-entering the waterbody;

(d) introduce, throw, dump, deposit, place or cause to be propagated, transplanted, introduced, thrown, dumped, deposited or placed in any water body, in whatever capacity and for whatever purpose while in Warren County, an aquatic invasive species.

SECTION 5. Exceptions to Prohibitions. The provisions of SECTION 4 of this Local Law shall not apply to:

(a) the carrying and use of bait for the purpose of fishing, consistent with all applicable laws and regulations related to bait fish;

(b) the use of the above-water portions of native plants for camouflage of the watercraft for the purpose of hunting, consistent with all applicable laws and regulations related to the use, possession and harvesting of plants;

(c) pets or hunting dogs;

(d) the intentional transport of plants or animals, including for food and landscaping, provided they are fully and securely contained within or on board the watercraft; and

(e) the use of plants or animals for habitat restoration, weed control, scientific research, aquiculture, or other activity, consistent with all applicable laws and regulations related to their use, possession or harvest.

SECTION 6. Penalty for Violation. Any person who engages in any activity prohibited by this Local Law shall be guilty of a violation. Every person convicted of a violation of this Local Law shall be punished by a fine of a minimum of Five Hundred Dollars (\$500) and a maximum of Five Thousand Dollars (\$5,000) or imprisonment not to exceed fifteen (15) days or both said fine and imprisonment.

SECTION 7. Enforcement. This Local Law shall be enforced by the Warren County Sheriff in the same manner as a traffic violation is handled. i.e. through the use of an appearance ticket and procedures

similar to that used to enforce the Vehicle and Traffic Law of the State of New York except that the citation may be in a form determined to be adequate and expedient by the Sheriff and approved by the County Administrator.

SECTION 8. Severability. If any section, subdivision, paragraph, subparagraph, clause, or item of this title is for any reason held invalid or unconstitutional by any court of competent jurisdiction such portion shall be deemed a separate, distinct, and independent provision, and such holding shall not affect the validity of the remaining portions thereof.

SECTION 9. This act shall take effect immediately upon filing in the Office of the Secretary of State.
