Bruce Wells –October 7, 2015

Town of Indian Lake water and wastewater

Report for September 2015

Testing was completed at all plants daily.

Samples required by DEC and DOH were submitted to the lab.

The service lines were all hooked up to the new water main on Stanton Rd.

Stanton Rd was cleaned up, and seed and hay was spread on properties disturbed by our project where it was needed.

A two inch service line for the County Highway garage came apart under their building and had to be temporarily repaired.

The dam broke and had to be repaired.

Lead and copper samples were collected in both Indian Lake and Blue Mt. and submitted to the lab.

We met with engineers from the LaBarge Group about the Abanakee and Adirondack Lake dams.

There was another leak in the sewer force main behind the Frontier building.

All of the seasonal water supplies were shut off in both water districts.

Thank-you  KEVIN KING
Kevin King/water and wastewater superintendent

TOWN OF INDIAN LAKE HIGHWAY DEPARTMENT

OCTOBER 2015

Culverts and ditches were cleaned on Joe Locke Road. A major drainage culvert was replaced on Starbuck Road. All culverts and drainage runoffs were cleared on Starbuck and McCormick Road.

2 culverts were replaced on Cedar River Road and 2 were replaced on Wells Road in Blue Mt. Lake.

Ditches were reestablished on Abanakee Lake Road. A culvert was replaced and shoulders were cut on Bennett Road.

Trees were cleared from several roads after our last wind and rainstorm.

The intersection of Fred Gay Road was fixed in preparation to chip seal that road.

Material was added to Stony Step Road in preparation for chip seal.

Material is being hauled to stockpile for next years projects.

Our trucks were used to assist in paving several other town and county paving projects.

Thank you

Jamie Roblee

Town Highway Superintendent

Month of September 2015
Mechanic's Report
Reported by Bill Wells

Changed vent in differentials in #186

Put 2 new front tires on 3320

Installed new teeth on rental excavator

Installed new wipers and fixed cutting edge on loader #190

Removed drive shaft on #186, fixed air leak, re-installed driver shaft

Events/Activities Report
Indian Lake Town Board
October 9, 2015
Reported by Vonnie Liddle

Adirondack Canoe Classic the 90 – Miler – Set up finish line cones, signs, tents. Coordinated with law enforcement, DOT, Ham. Co. Highway Dept. and organizers for road closures. Coordinated with Parks & Rec. regarding barricades, cones and signage. Obtained town van for transportation of participants. Obtained portable toilets for the event. Was available at the event to assist where needed.

Rustic Fair – Coordinated with law enforcement, DOT, Ham. Co. Highway Dept. and Adirondack Museum regarding traffic control and a safe environment. Coordinated with Parks & Rec. regarding barricades, cones and signage. Handed out set back letters to vendors. Visited with vendors.

Adirondack Mountains Antiques Show – Coordinated with law enforcement, DOT, Ham. Co. Highway Dept. and Adirondack Museum regarding traffic control and a safe environment. Obtained portable toilets for event. Coordinated with Parks & Rec. regarding barricades, cones and signage. Handed out set back letters to vendors. Visited with vendors. Attended pre-view at the Adirondack Museum.

Citizens Preparedness Corps Training Program – Met with the National Guard, Governor Cuomo's office representative and the Indian Lake Theater to review the program and space requirements. Coordinated with Ham. Co. Emergency Manager Don Purdy to get the information our regarding the event. Set a goal of 60 participants. 69 people attended. Attended training.

Cross the Park Challenge – Coordinated participant luncheon with Ham. Co. Public Health Services. Invited Erik Schlimmer, author of "Blue Line to Blue Line: The Official Guide to the Trans Adirondack Route" the book that this challenge was based on to attend. He did join us. Attended the luncheon.

Halloween Festival – contacted ILVFD Aux. regarding the event. Met with committee and set in place this year's festivities. Ordered supplies. Creating flyers and poster.

Hamilton County Youth Board Youth Summit – Helped with planning the event. This event was based on Kid President's Guide to Being Awesome. We invited all of the middle schools in Ham. Co. The event took place at the Adirondack Museum. I helped facilitate the event. Over 100 students attended. It seemed to be a huge success.

Meeting Attended –Adirondack Mountains Antiques Show. Youth Summit. Youth Board. 4 River Alliance. Town Board. Country Christmas Tour. Halloween Festival.

Upcoming Events – October 31 – Halloween Festival, Byron Park. November 27 & 28 – Country Christmas Tour.

Indian Lake Chamber of Commerce

October 5, 2015

Dear Supervisor Wells and Indian Lake Town Council Members:

Enclosed you will find the Indian Lake Chamber of Commerce's third quarter report, as well as additional attachments for your review. As per our contract, we have enclosed specific information this quarter as dictated by the contract. This quarter report includes revenue and expense information as they relate to sponsored events and promotional activities provided to the Town by the Chamber.

The Chamber is **very grateful** for the Town's financial support of \$20,000 in 2015 for marketing and tourism related activities. This financial support is **critical** to the Chamber's operations, and **without it the Chamber would not be able to provide the full array of services it did this past year**. The combination of advertising and full service staffing seven days a week during the months of July through September drew close to 2,000 individuals visiting the Chamber building alone – not to mention calls and emails we responded to. The staff at the Chamber office are very knowledgeable and are great ambassadors for our Town.

On behalf of the Indian Lake Chamber of Commerce and its Membership, we respectfully request the Town of Indian Lake renew our Tourism/Marketing Contract for two years (2016 and 2017), as well as consider a modest increase of \$5,000 in 2016. A multi-year agreement provides security for both Chamber planning and its ability to retain qualified staff for more than one year at a time. We are certain the additional resources will allow us to continue to expand our reach to offer tourism related services which support a healthy tourism industry and the creation and retention of other businesses within the Town and the adjoining region.

In addition, we'd like to suggest that Item #4 in the current contract be changed to reflect from "On or before August 31st" to "Before the October Town Board meeting..." so that the Chamber can offer details regarding September's revenues and expenses, as September is the month of the Chamber's largest fundraiser – the Great Adirondack Moose Festival.

If you have any questions, please feel free to contact me at 648-0782 or at christine@indianlakechamber.com. Thank you in advance for considering our request.

Most sincerely,

Christine Pouch, President

CONTRACT

This Contract made and entered into this _____ day of _____, in the year of _____, by and between the **Town of Indian Lake**, a municipal corporation, duly organized and existing under the laws of the State of New York, party of the first part, and North Country LIFE FLIGHT, Inc., a not-for-profit corporation existing under the laws of the State of New York, with principal offices in Saranac Lake, New York, hereinafter referred to as "LIFE FLIGHT", party of the second part.

WITNESSETH:

WHEREAS: The Town Board of the **Town of Indian Lake** did provide in its 2016 budget an appropriation in the amount of \$ _____ to be paid from Account No. 1010A for LIFE FLIGHT, and

WHEREAS: The Town Board of the **Town of Indian Lake** did by Resolution No. 19 duly adopted on the _____ day of _____, in the year of _____ authorize the payment of said funds,

NOW, THEREFORE, it is mutually understood and agreed as follows:

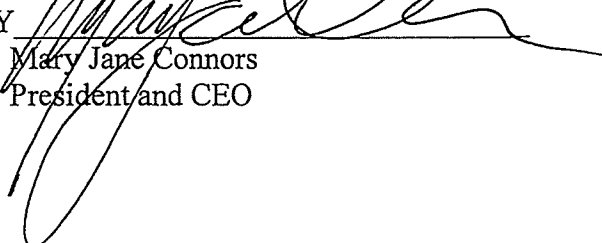

- 1) The Town Board of the **Town of Indian Lake** pursuant to Resolution No. 19 agrees to allocate the sum of \$ _____ to the Party of the Second Part which constitutes the Town's full obligation with regard to this Contract and all consequences arising therefrom. Said contract to run off the calendar year of 2016.
- 2) LIFE FLIGHT agrees to use the funds for medevac program services to include disposable medical supplies; community outreach, education and training; general and professional liability insurance, staff and volunteer continuing medical education; industry association dues; and general office expenses to include personnel, supplies, postage, rent and telephone.
- 3) The Party of the Second Part agrees to comply with Resolution No. 19 and use the said funds per their budget request for funds. Year-end report to be filed within 60 days of the close of the corporation's fiscal year if requested by the Town's Budget Officer.
- 4) The Town is premising approval of this Contract upon the specific budget presented by the Party of the Second Part. Deviations on various lines will occur from time to time.

In Witness Whereof, the parties have hereunto set their hands and seal the day and year as written.

RESOLUTION NO: 19

DATED:

WHEREAS: North Country LIFE FLIGHT, Inc. is a not-for-profit, tax-exempt corporation which is responsible for all aspects of patient care by providing medical equipment, training medical personnel and administering the medical portion utilizing the New York State Police helicopter based in Saranac Lake and private fixed-wing aviation resources; and

WHEREAS: The New York State Police aviation resources do not provide a medically trained team or medical equipment for patient transports; and

WHEREAS: The people of Clinton, Essex, Franklin, Hamilton and St. Lawrence Counties receive a vital emergency medical service for critically ill and seriously injured patients, and, therefore municipal governments are asked to pledge monies for this worthwhile program;

NOW, THEREFORE, BE IT RESOLVED: That the Town Board of the Town of Indian Lake hereby authorizes the Supervisor to enter into a contract with North Country LIFE FLIGHT, Inc. for the purpose of operating the medical component of the medevac program, which will serve its residents and visitors, and paying the amount of \$ _____ which represents the Town's share for 2016; and be it

FURTHER RESOLVED: That the sum of \$ _____ is hereby appropriated to Account No. 1010 A for payment to North Country LIFE FLIGHT, Inc.

The New York State Mesonet Weather Observing Network

The New York State (NYS) Mesonet Early Warning Weather Detection System is an advanced, statewide weather station network. This network will be the first of its kind in New York and will consist of up to 125 surface weather stations that will detect weather phenomena across the entire state. This weather detection system will provide federal, state, and local communities with access to high-resolution, real-time data, and more robust predictive models.

Each of the Mesonet's 125 weather stations will measure surface temperature, relative humidity, wind speed and direction, precipitation, solar radiation, atmospheric pressure, and soil moisture and temperature at three depths. In addition, 17 sites will be outfitted with lidars and microwave profilers, providing wind, temperature, and moisture profiles in the vertical. Another 20 sites will measure snow depth and snow water equivalent for hydrological applications. All of this data will be transmitted in real-time to a central location, where the data will be quality controlled and archived, and then disseminated to a variety of users. Upon completion, real time data along with graphical products/models will be available to the public via a website.

The NYS Mesonet promises a new generation of local weather observations that will support more accurate, more precise decision-making in agriculture, emergency management, energy, ground transportation and aviation. For example, localized soil moisture and temperature data will improve irrigation efficiency, and various pest models will be much improved with more local data inputs.

The NYS Mesonet is now beginning the search for permanent site locations. Each site consists of a 33 ft tower centered within a 33 ft x 33 ft plot of land. To ensure the highest quality of data each station must be at least 300 feet from the nearest obstacle (tall trees, buildings, etc.) or potential heat sources (pavement). If you would be interested in hosting a Mesonet site, please contact Dr. Jerald Brotzge at jbrotzge@albany.edu. If you would like to learn more about the NYS Mesonet, please visit our website at <http://nysmesonet.org>.

Brian Wells
Indian Lake Town Supervisor
PO Box 730
Indian Lake, NY 12842

Dear Brian Wells:

Thank you for your continuing support of the communities and unique areas of New York State. It is through the support of officials like yourself that nonprofit organizations and heritage attractions like the Adirondack Scenic Railroad can continue to positively impact the neighborhoods and communities we call home. We greatly appreciate your time and interest in helping our organization further its commitment to economic and cultural development and positive community impact.

As a chief decision maker and driver of positive change in Utica, Central and Northern New York, we want you to be among the first to know of our great accomplishments this past year. We are excited to continue on a positive trajectory, and continued growth of our nonprofit organization. In the past five years alone, ridership has increased 35% and the railroad has made significant financial strides.

Enclosed you will find a copy of our quarterly newsletter which features highlights from the spring and summer season such as the introduction of Rail Explorers USA, information regarding the public hearings and continuing political battle our organization faces, a final event report from Day Out With Thomas™, and exciting news about a historic locomotive which has been donated to the Adirondack Scenic Railroad. As an integral part of our local communities, we want to ensure that you are one of the first people to receive information regarding our operation. If you have any questions, or would like to discuss anything included in this packet please don't hesitate to contact us with the information listed above.

Thank you again for your continued support, and we look forward to an exciting fall and holiday season.

Best regards,

Bill Branson
President

APPENDIX A

DESCRIPTION OF SERVICES

Section 135-a of the Highway Law, as amended, provides that the removal of snow and ice from the County Roads, as well as the sanding or other treatment of County Roads for the purpose of removing the danger of ice and snow, may be delegated by the County to the Town by agreement; and the County hereby delegates to the Town, and the Town hereby accepts and agrees to perform, such work to control snow and ice upon County Roads during the term of this agreement.

The Town shall remove snow and ice from all County Roads as designated in Appendix B, and shall sand or otherwise treat such County Roads for the purpose of removing the danger of snow and ice, to the extent necessary to provide reasonable and safe passage and movement of vehicles over such County Roads. The Town agrees that the work to be performed under this agreement includes but is not limited to the following: (a) removal and disposal of accumulated snow at intersections of one or more County Roads and at other locations along County Roads where necessary or prudent for the safety of public vehicular traffic; (b) cutting of weeps through accumulated buildup of plowed snow along County Roads for purposes of relieving water accumulation on the road surface from snow melt, rain or other sources; (c) such other work as may be necessary for the control of snow and ice on County Roads.

The Town shall furnish adequate, trained and experienced employees to perform such work, as well as provide all necessary equipment, tools and materials, but excluding abrasives (sand) and sodium chloride (rock salt) for the proper performance of this agreement, and such will be performed according to customary approved standards and practices such as the adopted Snow & Ice Control Plan for Hamilton County so as to fulfill the obligations imposed upon the County with respect to snow and ice removal and control on County Roads.

All persons employed by the Town in the performance of this agreement shall be employees of the Town for purposes of the payment of wages, wage deductions, unemployment insurance benefits, social security coverage, retirement membership or credits, and liability for workers' compensation.

In the event the County shall abandon any existing County road or part thereof, or transfers any County road or part thereof to the State Highway System, or add any road to the County road system, the County shall notify the Town of such abandonment, transfer or addition, as the case may be, designating the particular County Road and the mileage thereof which has been added, abandoned or transferred, shall be adjusted accordingly as of the effective date of such addition, abandonment or transfer.

APPENDIX B

SERVICES PROVIDED BY TOWN AND COUNTY

WITHIN THE TOWN OF INDIAN LAKE

The County agrees to provide snow and ice control services on the following Town Roads according to Town snow & ice policies,

Moulton Road (off CR4) –	0.54 centerline miles
Pratt Road (off CR4) –	0.83 centerline miles
Starbuck/Lakeview Road(off CR4) –	1.02 centerline miles
McCormick Road (off Starbuck) -	0.40 centerline miles
Griffin Road (off State Rt 30) -	0.21 centerline miles
Cedar River Road (end of CR12) -	0.80 centerline miles
Total centerline miles -	3.80

The Town agrees to provide snow and ice control services on the following County Roads according to County snow & ice policies,

CR18 (Chamberlain Road) -	2.20 centerline miles
CR19 (Durant Road) -	1.05 centerline miles
Total centerline miles -	3.25

It is acknowledged and agreed by the parties that there are a total of 3.25 centerline miles of County Road the Town will provide snow & ice services for and there are a total of 3.80 centerline miles of Town Road the County will provide snow & ice control services for and the said amount of centerline miles will be considered a equal trade of services and there will be no billing of services by either party.

APPENDIX C
INSURANCE REQUIREMENTS

1. The Town shall procure and maintain during the entire term of the contract the following required insurance:
 - **Commercial General Liability Insurance**
\$1,000,000 per occurrence/\$3,000,000 aggregate, including coverage for liability assumed by contract and for completed operations
 - **Automotive Liability**
\$1,000,000 combined single limit for owned, hired and non-owned motor vehicles
2. Notwithstanding any terms, conditions or provisions, in any other writing between the parties, the Town hereby agrees to name the County as an additional insured on the Contractor's Commercial General Liability insurance policy.
3. The policy/policies of insurance furnished by the Town shall contain a 30-day notice of cancellation
4. The Town agrees to indemnify the County for any applicable deductibles.
5. Prior to commencement of work or use of facilities, the Town shall provide to the County proof that such requirements have been met by furnishing certificate(s) of such insurance, and the declarations pages from the policies of such insurance. The failure of the County to object to the contents of the certificate(s) and/or declarations pages, or the absence of same, shall not be deemed a waiver of any and all rights held by the County.
6. All certificates will provide 30 days notice to the County of cancellation or non-renewal.

APPENDIX D
STANDARD CLAUSES FOR HAMILTON COUNTY SNOW & ICE
CONTRACTS

1. Independent Contractor Status

The parties each acknowledge, covenant and agree that the relationship of the Town Contractor to the County shall be that of an independent contractor. The Town, in agreement with its status as an independent contractor, further covenants and agrees that it:

- (a) will conduct itself in accordance with its status as an independent contractor;
- (b) will neither hold itself out as nor claim to be an officer or employee of the County; and
- (c) will not make any claim, demand or application for any right or privilege applicable to an officer or employee of the County, including but not limited to workers' compensation benefits, unemployment insurance benefits, social security coverage or retirement membership or credits.

2. Contractor To Comply With Laws/Regulations

The Town shall at all times comply with all applicable state and federal laws, rules and regulations governing the performance and rendition of the services to be furnished under this agreement.

3. Termination

This agreement may be terminated without cause by either party upon thirty (30) days prior written notice, and upon such termination neither party shall have any claim or cause action against the other except for services actually performed prior to such termination.

RESOLUTION NO. ~~15~~ 20

APPROVAL TO ACCEPT GRANT FUNDING

TOWN OF INDIAN LAKE ABANAKEE DAM REPAIR AND UPGRADE PROJECT

At the Official Meeting of the Town of Indian Lake Town Board, State of New York, held on _____, the following resolution was made by _____ and was subsequently seconded by _____.

WHEREAS, the Dormitory Authority State of New York (DASNY) has announced funding of \$750,000 for the Town of Indian Lake Abanakee Dam Repair and Upgrade Project under the State and Municipal Facilities Capital Program (SAM); and

WHEREAS, the Town Board, after due consideration, has determined that it is desirable and in the public interest to accept DASNY funding; and

THEREFORE BE IT RESOLVED, that the Town Board authorizes and directs the Town of Indian Lake Supervisor, Brian Wells, to execute all financial and/or administrative processes relating to the grant program, and to execute all other documents necessary for the implementation of this work.
