TOWN OF INDIAN LAKE HIGHWAY DEPARTMENT

NOVEMBER 2016

Work on Cedar River Road was completed. Undercutting, ditching and gravel surface is finished.

Joe Locke Road was graveled and will be ready for chip seal next summer.

Some grading was done on various roads that got rough during the dry fall.

Materials are continuing to be hauled for next summer's projects.

Two of the plow trucks were put together with plows, wing and sanders; they were also used on the last early snowstorm.

Sand is being stockpiled for winter use.

Leaves are being blown off all dirt roads in the town.

Rocks are being pulled on some dirt roads, which will prevent the plows from being damaged.

Thank you

Jamie Roblee

Town Highway Superintendent

Events and Activities Department
Nov. 7, 2016

Town of Indian Lake water and wastewater Report for October 2016

Testing was completed daily at all 3 plants.

All samples required by DEC and DOH were submitted to the lab.

2 watermain breaks were repaired. Both breaks occurred in Blue Mt. hill. All areas affected have been cleaned up. We helped NYS DOT repave the shoulders.

The new UV building is moving forward. All pipe work was completed. As soon as the floor is poured we will be able to start the building

Numerous curbstps, boxes and rods were replaced in water district #2.

Almost all seasonal services have been shut off and blown out.

Thank-you

Kevin King

Subject: Storage Shed

Hi Brian,
Here's our formal request for your next Town Board meeting:

The Friends of the Indian Lake Public Library would like to request permission from the Town Board to place a small "Rubbermaid" shed right behind the existing Book Shed. It would be used for book storage only.

We are hoping the size could be either an 8' x 10' or 7' x 11", whichever would work best with the space available. Also.....would the Town be able to put down some stone for the base if agreed?

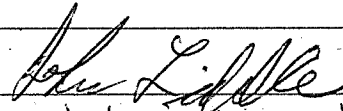

(I know, I know.....want, want, want)

Thank you for your consideration.

Mary Mahoney
Pres., Friends of the IL Library

October 4, 2016

I, John Liddle do hereby resign
from the Indian Lake Zoning Board
of Appeals effective October 4, 2016

Town of Indian Lake Supervisor

Resolution # 18

A Resolution To Advertise Bids for Ultraviolet Disinfection Equipment For the Indian Lake Wastewater Treatment Facility

WHEREAS, the Town of Indian Lake is required to upgrade the Wastewater Treatment Facility to meet seasonal disinfection limits; and

WHEREAS, the Town of Indian Lake has received funding for the project through the Water Quality Improvement Project (WQIP) Program under Grant C305167; and

WHEREAS, the Town of Indian Lake requires Ultraviolet Disinfection Equipment meeting the requirements of the Engineering Report and Plans Prepared by Cedarwood Engineering; and,

WHEREAS, the estimated cost of the equipment is in excess of \$30,000;

NOW AND THEREFORE IT BE

RESOLVED, that the Town Clerk is hereby authorized and directed to advertise for sealed bids for Ultraviolet Disinfection Equipment, for which said bid specifications and other required documents will be available per the advertisement for bids and said bids are returnable on or before December 5th, 2016 at 10:00 AM prevailing time at the Town Hall, 5 Pelon Rd, Indian Lake, NY 12842, at which time they will be publicly opened and read out loud; and it is further

RESOLVED, that a copy of this Resolution be given to the Town Clerk.

Whereupon, the Resolution was put to a vote, recorded as follows,

Ayes _____ Nays _____ Abstentions _____
